FOREWORD

Until you are genuinely transformed, you cannot fully be fulfilled. Transformation is the pathway to great manifestation, when you experience genuine transformation, you are positioned for glorification.

This book unveils scriptural insights on what transformation is, the resultant effect of transformation on destiny fulfillment as well as how to experience genuine transformation.

Transformation is a function of two pivotal forces; firstly it is a function of the force of revelation. It is revelation that stirs up internal transformation which in turn provokes external transformation.

“I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service. And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable and perfect will of God.” Romans 12:1-2

Secondly, transformation is a function of Visitation, Divine visitation always stimulates a change of situation and when this manifests it gives birth to undeniable transformation.

Based on these insights, I hereby present this book to you as a channel for connecting with revelation that will enhance speedy transformation as well as a platform for activating divine visitation.

TRANSFORMING POWER OF THE WORD

Nothing works until you work it; therefore maximize the revelations loaded in this book by taking relevant actions in the direction of the revealed instruction. I see you experiencing undeniable change of story as you read through in Jesus name.

God bless.

1 THE BUTTERFLY: AN IMAGE OF TRANSFORMATION

When I was in the Secondary School (High School), in the Biology class, we were taught about the amazing transformation stages that the butterfly usually goes through, as young students then, we usually re-echoed each stage to enhance our remembrance, such that it has stuck to my brain (and I believe also to the brains of my friends then) till today.

The stages are highlighted pictorially below:

			
Egg	Larva	Pupa	Imago/Adult Butterfly

Each stage is here highlighted:

Egg – This is a small oval object with a thin hard shell produced by a female animal or insect and containing a young one. The egg is the first stage in the development of a new generation of a particular insect including the butterfly.

Larva – This is an insect at the stage when it has just come out of an egg and looks like a short fat worm.

Pupa – This is an insect in the stage of development between a larva and an adult insect

Imago – This is the final and fully developed adult stage of an insect, especially one with wings

Having seen the stages that the butterfly goes through before it becomes a flying insect with a long thin body and four large, usually brightly colored wings, then your understanding should be enlightened that your life and situation can encounter a change via this book, which exposes the truth about the ability of the word of God to cause you to experience a change of story, because “*it takes revelation to encounter a change of story*”

Understand that when the butterfly is at the larval stage, it usually has ***no form or comeliness...there is no beauty that it should be desired***, (Isaiah 53: 2 – 3) but when it has fully matured, it becomes a beauty to behold by all. I therefore declare that as you go through this book, your life shall encounter the power of transformation for good! In the precious name of Jesus Christ

2 TRANSFORMATION: YOUR HERITAGE

The phenomenon experienced by the butterfly as highlighted in the first chapter is not limited to this insect; it is a quality that is part of the characteristics of the human being as well

What is Transformation?

According to the Oxford Advanced Learners' Dictionary, **Transformation is defined as a complete change in somebody or something.**

Naturally, transformation takes place in every human being, as a baby boy matures into a man and a baby girl matures into a woman, but the transformation I am talking about in this book is beyond the natural phenomenon

This book scrutinizes the lives of some individuals in the Bible – **Jabez, the son of Sorrow, Jacob, the Usurper and Saul, the Destroyer** – to emphasize and authenticate the existence and vital importance of the spiritual transformation

I am writing to you in particular that you need this transformation in your life in order to fulfill your destiny in life

I declare that as you go through this Life-transforming book, your life will be imparted by the Holy Spirit for a divine transformation in Jesus name

You must understand that Transformation is the gateway to Your Manifestation in life – so you are on a journey to your destination of manifestation in Jesus name

Understand that Transformation has no Limitation, no matter where you are or the situation you may be right now, your transformation will lead you into your glorification

You may physically or spiritually be in prison, you may have committed a lot of atrocities in life, you may be under a curse in your family, but a single *step of Faith will take you to your place of Fame in life*

Understand that to get to your glorious destination, you must first of all encounter transformation, that is why this book is coming to you at this stage of your life, read it, meditate on it, pray with it and you will encounter the transforming power of the Word of God. If the word of God has transformed lives before, your case will not be an exception in Jesus Mighty name.

As you embark on the journey to manifestation through this book, may the Holy Spirit enlighten your eyes of understanding and touch your life for a trans-generational transformation in Jesus name

3 INSTANCES OF PEOPLE WHO ENCOUNTERED TRANSFORMATION

There are so many things that God has done before and HIS Power is still available to do them again

In this world, we have seen people who were not born with silver spoon in their mouth ending up even distributing silver spoons to those they know and those they do not know, this shows that they experienced the Power of God in their lives, we have also seen people who were in bondage, prison or captivity but later became people in authority after they experienced the Power of God – You are the next on the line, that prison you are in, that unpleasant situation the evil powers have sent into your life, the Power of God is bringing you out now! In the name of Jesus Christ

I want you to diligently look into the lives of the following people that experienced the transforming power of God and they moved from Story to Glory, that same order of transformation is coming into your life today! In the name of Jesus

i. Jabez, the son of Sorrow

I Chronicles 4: 9 – 10 “*And Jabez was more honorable than his brethren: and his mother called*

his name Jabez, saying, because I bare him with sorrow...”

I want you to note that the verse started with the end of the life of Jabez, “*And Jabez was more honorable than his brethren...*” this indicates that your present situation notwithstanding, you are still alive because God is working on You and on your behalf to bring you into your place of glory

Jabez ended his life in affluence and prosperity, despite being birthed in sorrow, shame, poverty and all manner of negative influences in his family

His mother conceived him in pains and sorrow, gave birth to him in the same situation, named him after the sorrowful situation in their family, raised him under the sorrowful condition, in fact, everybody around knew him with sorrow, he had no friends, because there is nobody that wants to relate with people like that, it was so terrible and abysmal, he had no one to run to, all family members had forsaken him, only his mother was there for him.

The root meaning of his family name (tribal name), Judah, which means ‘**Praise**’ was not manifesting in his life, there was nothing in him to show forth the praise of God – just like the butterfly at the larval stage – he was wallowing in shame and abject poverty – You are also looking at your life and you can see yourself in the same shoes as Jabez, some areas in

TRANSFORMING POWER OF THE WORD

your life are defying God and the solutions that HE has provided for you, you have nothing to show for all the works you have done in life, just wait – Jabez had moved from pillar to post without a way out for him.

You have to remember that his end was better than his beginning thereof, but I want you to see that he went through a lot, there was no employer that would employ him so that his **‘bad life’** or **‘sorrowful situation’** would not affect their businesses negatively, so there was nothing he could do – You have graduated for the past five to seven years, but no tangible job to do, you have even gone for your second degree, yet to no avail, you are in prison for a crime you knew nothing about, your parents abandoned you because they saw you as an unwanted child, wait – Jabez had no woman that would be interested in him to be his wife, so he was just living all alone, the Bible did not tell us how old he lived, but you should know that he went through thick and thin for most part of his life

His Transformation!

“And Jabez was more honorable than his brethren...” I Chronicles 4: 9 I am re-emphasizing this statement to let you see the end of the life of Jabez, he became wealthy and influential before he left this earth

The question you are now asking is **“How did he do**

it?” despite all the rough roads he passed through in life, how come he became the most influential of all the children of his mother and even in Israel.

Jabez' Prayers

“And Jabez was more honorable than his brethren...And Jabez called on the God of Israel, saying...” Understand that the manufacturer of a product has the spare parts of the product, also the manufacturer knows the best way to repair or replace any faulty part of the product, and this was the understanding that came into the mind of Jabez.

Jabez knew his creator and sustainer, so he went to the God of Abraham, Isaac and Jacob, he called unto Him who is able to do exceeding abundantly above all that he could ask or think (Ephesians 3: 20) and that God answered him. He went to the God that brought Israel out of bondage - the God that the sea saw and fled (Psalms 114), the God that brought down the walls of Jericho (Joshua 6) and destroyed the kings that withstood them on their way forward, this was the same God that Jabez went to, whose name is *“...the God of Israel...”* - that same God that did those things for Israel should come and do his own

Jabez became honorable as a result of his search through the word of God, for instance the Bible says in Psalms 44: 1 – 2 *“...we have heard with our ears, o God, our fathers have told us, what work thou didst in their*

TRANSFORMING POWER OF THE WORD

days...how thou didst drive out the heathen...” these are the words of grace that Jabez saw and heard before going to God, being fully persuaded that the God of Israel was still alive, active and powerful to do his own.

He had a revelation of the word and he began to confess it until the word came alive in his life, his glorious destiny was then activated by the reason of the word and he went to God in prayer.

To encounter the power of transformation by the word, you must see all the miraculous happenings in the Bible as *‘reality and not history’* that was also the mentality of Jabez, after reading and hearing about the God of Israel, he did not allow it to just go by as a story, he stood on the word and he was able to put it to work. I declare that the word of God will begin to work for you! In the precious name of Jesus Christ

One of the things that you should also understand is that whenever you want to go to God in prayers, you should be specific with your request because *“whatsoever you **desire**, when you pray, believe that you receive it and you shall have it”* – Mark 11: 24, so the basic thing is **‘Your Desire’**, *‘if you cannot desire it, you cannot acquire it’*, the Bible says *“And Jabez called on the God of Israel saying...”*, the Bible did not say **‘crying’** or **‘complaining’**, but **‘saying’**, God does not answer to your crying and complaining but to your faith-based praying, despite the situation of the life of Jabez, he did not complain to God, but he went to God in

prayers and he told God the specific things he wanted Him to do for him in simple terms thus: “*Oh, that thou wouldst bless me indeed, and enlarge my coast and that thine hand might be with me, and that thou wouldst keep me from evil, that it may not grieve me! And God granted him that which he requested*”, he spoke to God requesting for these four things which he knew could bring about a transformation in his life, the amazing things is that God granted him that which he requested.

I declare that as you take the step of going to God in prayers today, may heaven open over your life and the outstretched hand of God locate your life for divine transformation in Jesus name.

That was the simple, but most important step taken by Jabez for his life to be transformed totally, that same God is still on His throne, that situation that has hitherto defied solution, I declare that God will bring about the desired solution today in Jesus name. Amen

I want you to note that all the time that Jabez was suffering and going through sorrows, he was constantly and continually learning about God, the things HE did for Israel and the things HE did against their enemies, so when he was fully prepared to go and meet God, he had enough information and revelation to present his case to God in prayers

ii. **Jacob, the Usurper**

Jacob was the younger brother of Esau, but by divine mandate, God said “...*Jacob have I loved, but Esau have I hated*” Romans 9: 13, and at the revelation of the twin babies in the womb of the mother, a word of prophecy came thus “...*and the elder shall serve the younger*” Genesis 25: 23

As they grew, the father, Isaac loved Esau the elder brother, while the mother, Rebecca loved Jacob, this was part of the situation that led to hatred between the children and it affected their future.

Esau himself, ignorant of the relevance and importance of his birthright was foolish enough to outrightly sell out his future glory, his right to inherit the major part of his father’s inheritance to his younger brother Jacob

Anything you gain outside God is in vain, that was why Jacob was not able to enjoy all that he usurped from his brother and he went through a lot of challenges. After asking his brother to give him his birthright, his mother also arranged with him to receive the blessing of the elder into his own life and afterwards he ran away from home, when he got to his uncle’s place, he thought things would be easy, but he served as a slave for twenty one years and yet he had nothing to show for it

Although he was the bearer of the trans-generational blessings of Abraham and Isaac, yet he was working with rigor but he had no reward, he labored but was not favored – You too may have done evil in the past, you may have stolen people’s money and properties and you are now in the situation that is not pleasing to you, which is as a result of your past, you may have lied at various levels of life, for instance, you may have gained admission into higher institution with a fake result and other types of anomalies, wait! – but on a certain day, when he got tired of his situation, he stood up to the situation, he first of all stood up spiritually when God showed him a dream of divine animal husbandry principle that no Animal Scientist can prove or disprove, he applied it in the physical and it worked for him, he was able to get back all he had worked for by Divine Interception, afterwards he fled from the house of Laban, ultimately for the blessing of God to be made manifest and permanent, he met with God.

“*And Jacob was left alone...*” Genesis 32: 24 – 28 I want you to understand that the journey to transformation is an individual journey; you embark on it alone, it is not a family or group issue, as you experience salvation all alone, you also experience transformation alone.

For Jacob to experience transformation, there was a Divine visitation and Angelic ministrations upon his

TRANSFORMING POWER OF THE WORD

destiny, the Angel of God knew that he had lied about his name to his father, so for him to be transformed, he must say the truth and the change of name would be pronounced and when he gave his real name, his name was changed and the blessing of God was permanently placed on his destiny.

You are also a blessing carrier, but the situations surrounding your life are over shadowing the blessings. For instance, the Holy Spirit opened up my understanding one day after I met a man while driving, he suddenly stopped me and said I should pray for him, I prayed for him and continued my driving, but after a few seconds a statement just came up in my spirit man that “*battles blind people from seeing your beauty*”, the battles you are fighting are not allowing the beauty of your life to manifest, but I declare that your life will be transformed today! In the name of Jesus Christ, your name may be cursed and this is affecting your life negatively, I pronounce a spiritual change of name for you today in Jesus name. I crush every curse overriding the blessings of God in your life, in Jesus name.

If you have been stealing from, lying to, duping and deceiving people, now is the time for you to stop it and as you do so, the power in the name of Jesus Christ will set you free in Jesus name; your life will receive total liberty from every bondage in Jesus name.

Jacob encountered the Angelic ministrations and his life was transformed, as you diligently read through this book, Angels from the presence of God will visit you and you must take note of your life as you read this book because Angels will deliver you from that bondage miraculously in Jesus' name; God sometimes appoints Angels to deliver messages and solutions to His people, you will encounter such via this book in Jesus' Mighty name.

iii. **Saul , the Destroyer**

Many people are in the world doing what they are doing and believing that they are working for God or for a particular god, mocking and kicking against the people worshipping the true God. This was the case of Saul of Tarsus, he was a man dedicated to arresting, beating, molesting and killing of Christians in Jerusalem and environs, he had his own disciples that were working for and with him in his business, he was so diligent in this arresting and beating of Christians that he was well known by all the Pharisees and high priests who were also empowering and authorizing him to go ahead, he also confessed that “...*I persecuted the church of God and wasted it. And profited in the Jews' religion above many my equals in mine own nation, being more exceedingly zealous of the traditions of my fathers?*” Galatians 1: 13 – 14, from this reference, you will see that he was totally immersed in what he was doing,

TRANSFORMING POWER OF THE WORD

but God had a separate plan for him, Saul (Paul) puts it thus “*But when it pleased God, who separated me from my mother’s womb...*” Galatians 1: 15, you are also in the plan of God, what you are doing and where you are presently notwithstanding, that prison, that orphanage, that backward side of life, it is not the plan of God for you, God said “*I know the thoughts I think toward you...thoughts of peace and not of evil, to give you an expected end*” Jeremiah 29: 11, you may be in your current situation as a result of your ignorance of God’s plans for your life, but I have come to announce to you that you have a good future, you will see it and achieve it in Jesus name.

On one occasion, when Paul was going ahead to carry out his assignment as usual, Jesus the Lord appeared to him and from there His life was divinely transformed and he became a new creature from there his hidden star was released and it started shining all over the world, he even became one of the greatest Apostles with the highest number of Epistles to his credit in the Bible – Don’t look down on yourself, don’t see yourself as a loser and don’t ever see yourself as an outcast, you are what God says you are and not what your situation is saying, I want to assure you by the word of the Lord that “*If the Son therefore shall make you free, you shall be free indeed*” John 8: 36, in Christ Jesus, there is total freedom and transformation, Jesus also said “*...him that cometh to me I will in no wise cast out*” John 6: 37b, as the life of Saul was transformed and he became Paul, the great of Jesus to the Gentiles, I declare that you shall also step

into the plan of God for your life in Jesus name –
You are destined for greatness, you will not die in
wretchedness, you are destined for prosperity, you
will not die in poverty, you are destined for the
palace, you will not die in the prison, you are destined
for the peak, you will not will not continue wallowing
in the pit! In the name of Jesus Christ

4 YOUR CASE IS NOT TOO DIFFICULT FOR GOD

We have seen how God transformed the lives of Jabez, Jacob and Saul, all of them were living outside the plan of God for their lives, but when they came into personal relationship with their Creator, they were transformed and their lives began to show forth the Praise and Glory of God, you are the next on the line of shining stars in the name of Jesus

A. How to encounter Transformation

Transformation, as experienced by those people highlighted in this book is not limited to them; you can just take the following steps to experience the same thing:

- i. **Give Your Life to Christ** – Irrespective of where you are, what you are going through or your religion, the only way to access God's plan for your life is to give your life to Christ. The Bible says "*Except a man be born again he cannot see the Kingdom of God*" John 3: 3, this is first and most basic step to achieving greatness in life, so where you are right now, in the prison, in the orphanage, on your sick bed, in your

bedroom, in your friend's place, just go down on your knees and pray this simple prayer:

Lord Jesus, I come to you today as a sinner, I confess my sins to you, I know you died for my sins, forgive me today, wash away all my sins, send your Holy Spirit to take over my life, turn me into a new being and let my life be transformed by your power and your Spirit, I believe in my heart and I confess you as my Lord and Savior in Jesus precious name. Amen
You are welcome into the Kingdom of stars, I pray that God shall transfer you out of darkness into His marvelous light in Jesus name – Romans 10: 8 – 10, Colossians 1: 13, 1st Peter 2: 9 – 10

- ii. **Be Dedicated to Him** – You must hand over your life entirely to Jesus; you must be dead committed to Him and live for Him all the days of your life. Be Kingdom-conscious and let your life show forth His praise.

Tell people about Jesus, in the prison, in the hospital, in your dormitory, in your church, in your place of work and anywhere whatsoever you may find yourself – 2nd Timothy 4: 2

- iii. **Give Yourself to Prayers** – As we saw in the life of Jabez, prayer is essential in the

life of any man that wants to experience manifestation in this world. Prayerlessness means powerlessness and without power, you cannot manifest your glory, though you have an embedded glory in you, but it takes power for the glory to find practical expression. Understand that “*the Prayer Altar is a Life-Transforming platform*” The Apostles said “*But we will give ourselves continually to PRAYERS...*” Acts 6: 4, it is through word-based prayers that you can bring spiritual blessings into practical reality – Luke 18: 1, 1st Thessalonians 5: 17

- iv. **Hold on to the Word** – The word of God is the will of God, what the word says about you is what you should hold on to, the Bible says “*so then faith cometh by hearing, and hearing by the word of God*” Romans 10: 17, you must always read, study, hear, and meditate on the word of God in order for you to be rooted in Him and grow in Christ Jesus. Whatever you are looking for, you can locate it in the Word and stand on it to talk to God in your prayers, because “*what you say is what you see*”. And as you do so, may heavens be opened over your life! In Jesus name. I want you to know that the Bible is for everybody, but there is a specific word for

every individual, your eyes shall be enlightened for you to see the word for your life in Jesus name – 2nd Timothy 2: 15, Joshua 1: 8, Ephesians 1: 17 – 18

- v. **Fellowship with the people of God** – The Bible says we should not forsake the assemblies of ourselves – Hebrews 10: 25, it is during this fellowship that you will listen to the word of God and the testimonies of others that can also help your faith to grow, you also have people you can pray with to hasten your prayers to heaven, as the word says “*How should one chase a thousand and two put ten thousand to flight...*” Deuteronomy 32: 30, so when you pray with others, it has more effects and potency.

B. What you access through Transformation

When you are transformed by the renewing of your mind, you are not to be demoted or reproached, but you are expected to experience some new things in your life. Immediately you said that sinners’ prayer, the Holy Spirit activates your spirit man and you begin to live a new life. Note that as a sinner, you are been controlled by the devil through your soul, but immediately you hand over your life to Christ, your spirit man comes alive and you will be able to

TRANSFORMING POWER OF THE WORD

communicate with God and receive revelation from heaven.

In the book of Revelations, I want to open your eyes to seven wonderful benefits that you instantly gain access to and start enjoying via the new birth.

Revelations 5: 12 “...*worthy is the Lamb that was slain to receive: **Power, and Riches, and Wisdom, and Strength, and Honor, and Glory and Blessing***” (emphasis mine) – These seven wonderful benefits are yours via the new birth, so *your Transformation is not for your Demotion, but for your Promotion in life*, do not allow the devil to beat you to your inheritance through ignorance, you have the right to these seven glorious benefits of God for His children, it is your portion and you must contend for it, you have to go for it, by the reason of your transformation, you can lay claim to all the good things God promised in His word, take God by His word and everything will be given to you.

Remember, where you are is not the ultimate place you can be, there is still a place better and glorious than where you are presently, I declare by the power in the name of Jesus Christ of Nazareth that the seven-fold declaration of God upon your life will come to reality in your life in Jesus name.

Transformation leads to manifestation, the glory that God has assigned for your life will be made manifest

in Jesus name.

Never look back, the journey ahead is full of glories and challenges, do not allow the challenges to overwhelm you as the Glory will overshadow all the challenges of your life in Jesus name.

Ultimately, you encounter transformation on earth in order to qualify for the most glorious place which is the Kingdom of God, you are not transformed to enter hell fire but to reign with the one that transformed you, Jesus Christ, so you must keep on loving, following and representing Him in all areas of life.

Welcome to the world of the Transformed!

Watch out!
