The background of the book cover is a close-up photograph of a plant with long, green, pointed leaves and a pale, yellowish-green stem. The lighting is bright, creating a warm, yellowish-green glow. # INTRODUCTION

## FIFTH DIMENSION OF THE WORD OF TRANSFORMATION

This book is actually a sequel to its predecessor, Four Dimensions of the Word of Transformation

Many months after I had released the book (Four Dimensions of the Word of Transformation) on Amazon.com, the Holy Spirit ministered to me that I should put pen to paper and add this fifth dimension to the book, I therefore decided to write it separately and not repeat the whole book because the revelation God gave me about the fifth dimension is awesome and I hope to be able to express everything to the delight of the readers and its impact will be felt all around the globe! In the name of Jesus Christ

In the first part of this book, I wrote on the four dimensions in which the word of God can operate or be operated by the people (Servants) of God to provoke signs, wonders, miracles, deliverances and transformation in the lives of people.

Let me use this opportunity to give a summary of what the first part of the book really talks about, so that you can have an understanding of what I dealt with in it and you can also be a partaker of the blessing and goodness of God available in the book

**Previously...**

I started by writing that: Words are powerful! The effect of the spoken word is always felt via its manifestation in the life of whosoever it is spoken into.

In the first dimension, which is the **Dimension of the Word of Power**, this is when the word of God is spoken and it actively performs miracle in the lives of the believers. The word that operates or is operated in this dimension works on dead, dormant or inactive situations, lives and body, it then brings them back to life - it is the word that operates in the life of a man and the person becomes powerful and makes enemies to bow at the person's feet. We see an example of Paul the Apostle, while preaching in Lystra and a certain man who was crippled from birth was there, when he released the word of power, the word went to his brain, activated the tissue in charge of his feet and sent a message to the legs to stand up and then began to walk and jump.

I pray that any part of your life or body that is dead receives life now! In the name of Jesus Christ

The second dimension is the **Dimension of the Word of Authority**

This is the dimension in which your words are full of authority, you are accorded respect by heaven, when you speak, and it is carried out speedily by the Angels of God. Jesus at a time gave His disciples power and authority so that they may heal all kind of sicknesses and diseases (Matt 10:1)

It was this authority that the Father gave to Jesus when He came into the world, when departing, Jesus also gave it to

## FIFTH DIMENSION OF THE WORD OF TRANSFORMATION

His disciples (John 17:18) and we saw the effect of this in the life of Paul the Apostle, because he was differentiated from a group of people that were not authorized to do what he was doing and they attempted to cast out a demon by saying "*...we adjure you by Jesus whom Paul preacheth...*", what happened "*...And the man in whom the evil spirit was leaped on them and overcame them and prevailed against them...*" but initially asked that "*...Jesus I know and Paul I know, but who are ye?*"  
Acts 19:13 - 16

I pray that God will give you Divine authority in Jesus name

The third dimension is the **Dimension of the Word of Glory!** Hallelujah

In this dimension I wrote about operating the word that invokes and provokes the glory of God

When this dimension is operated, the Glory or Presence of God is made manifest in such a way that the whole atmosphere of the place will be aware that something strange and wonderful has happened or is happening.

The Glory of God is the splendor, presence and the manifestation of God in such a way that it will be evident that God's presence is available in a place.

The Glory of God can also be referred to as the Hand of God because when the Hand of God is revealed in a place or in the life of someone, the person or place will encounter transformation!

God is the King of Glory, but for Him to manifest that Glory, He has to be invited and His glory invoked, but the devil is always questioning the manifestation by asking that "*who is this King of Glory?...*" therefore the person operating in the Dimension of the Word of Glory in his ministry or ministration must reply thus "*...The LORD strong and mighty, the LORD Mighty in battle... The LORD of hosts is the King of Glory*"

Operating in this dimension makes you powerful and dangerous, because you carry the Presence and Glory of God and anywhere you speak, there shall be manifestation of God's wonder-working and miracle-working power.

You access this dimension by following the commandments or instructions of God (Exodus 34:4 - 8) and also by staying in His presence (Exodus 34:28 - 30) - The Glory of God is only accessible in His presence.

The length of your stay in His presence determines the intensity of the Glory that you will manifest - the more you stay, the more glorious you become.

As you seek His presence, may His Glory be released unto you in the name of Jesus!

The fourth dimension in the book is the **Dimension of the Word of Fire!**

I wrote about the fire-producing and fire-provoking word, when this dimension is operated, fire falls from heaven to consume, to refine and also to transform destinies.

This dimension is mostly important for those in the

## FIFTH DIMENSION OF THE WORD OF TRANSFORMATION

deliverance ministry, because the word of fire is used to consume evil deposits in and to refine the life of those that are possessed and oppressed by the devil and demons.

The Refining fire is required to prepare people for the work of God. It purifies and makes an individual to become a vessel unto honour and Glory that they may offer unto the LORD an offering in righteousness (Mal. 3:2 - 3).

When the Holy Ghost came on the day of Pentecost, He descended with fire on the Disciples and purified them before making them fit to spread the Gospel - Acts 2:2 - 3, after they were purified there was an explosion, as Apostle Peter, who was timid and afraid to be associated with Jesus during His trial began to boldly speak for and about Christ. This same fire came upon Paul the Apostle, when he preached and wrought a miracle in Lystra, the people exclaimed in Lycaonian language that "*...the gods have come to us in the likeness of men*" Acts 14: 11. I see God releasing that fire upon you now! In the precious name of Jesus Christ

When the fire comes upon you, your tongue is renewed and you begin to speak with boldness, such that when you minister, deliverances and rescues take place. I see God giving you a tongue of fire! In Jesus mighty name, shout I receive it!

The Consuming fire is released to clear off, consume and destroy every form of evil and evil deposits in the lives of people - when this dimension is operated, you see people being released from the power of evil and being set free.

If you have a prophetic calling on your life, you have to strive and endeavor to move to and operate in this dimension, because the word of God in the life and mouth of His prophets is usually in form of fire - "**...But His word was in mine heart as a burning fire shut up in my bones...**" Jeremiah 20:9, also "**Is not my word like as a fire...**" Jeremiah 23:29, these are the testimonies of a prophet and he talked about the Word of God as fire

You access this dimension by craving and desiring it and you get committed to the God that is called "**...the Consuming fire**" Heb. 12: 29 through your desire, crave and commitment, you enter into the realm, but you must be refined first and if there is any evil deposits in your life, you have to surrender yourself to the consuming fire and then you can be launched into the dimension of fire

Let me just give you a real life instance of the operation of the dimension of fire - I went to minister at a youth revival/vigil in Abeokuta, Ogun State, South-West of Nigeria, in 2014, looking at the theme of the program which was "**Loose him and let him go**", I realized that it goes along with the revelation of the dimension of fire and I crave for that dimension in my preparations, when I got there, I just handed over to God and announced to the people that the fire of God was available to set people free and there was an outburst of the fire - a particular lady who was a guest at the program fell down and was rolling on the floor, she was carried out but was still under the influence of the fire, afterwards I went to minister and interview her, she then told me that she saw herself sitting on a throne with a crown on her head with other ladies surrounding her, but when I started ministering, she saw

## FIFTH DIMENSION OF THE WORD OF TRANSFORMATION

someone in white coming to take her off the throne, covering her with white cloth and all those standing could not resist her being taken away - She surrendered her life to Christ that day.

As you read about this dimension, either the summary here or the original version, know that God is not a respecter of persons, whoever you are and wherever you worship or are located, you can operate any or all of these four dimensions and as I will be writing about the additional dimension as further revealed to me by God, be sure that He has made it available for you and for all that are willing and ready to operate it.

God's blessing comes upon you as you journey with me into the Fifth Dimension of the Word of Transformation - the Dimension of the Word of GRACE!

## **ACKNOWLEDGMENTS**

I acknowledge the Almighty God, the Ancient of days, the I AM THAT I AM, the One that was, that is and is to come, who gave me the Grace to be an author and in particular to write on His Grace to the human race. To HIM alone be all the Glory, I also acknowledge everyone that has partaken of the Grace of God on my life and are still partaking of it...God bless you all

## **CHAPTER 1**

### **THE DIMENSION OF THE WORD OF GRACE**

In this dimension, I will be writing on the Word of God that is operated to provoke the Grace of God that is able to save, deliver and preserve the saved soul till eternity.

Let me define and expound what Grace really is and what it can do for people and you in particular.

According to the English dictionary, Grace (Christian theology) is defined as "a state of sanctification by God, the state of one who is under such Divine influence"; it also says "the free and unmerited favour or beneficence of God"

In the first definition, I want to let you know that Grace is a Divine influence, it is the prerogative of God to release it to everyone and sometimes to whomever He wills; that is why it is the free and unmerited favour of God.

Also, understand that Grace is both a Personality and an influence or virtue - as a personality, Jesus is the Ultimate Grace of God, the Bible says "***For the law was given by Moses, but Grace and Truth came by Jesus Christ***" John 1: 17, the law was given, but Grace came and this happened when Jesus came into the world for the Redemption of mankind, so by the reason of the death, resurrection and ascension of Jesus, the gate of Grace was flung open for everyone to come in. the Apostle Paul wrote to the Ephesians and reminded them in his letter that "***... (by grace ye are saved)***" Eph. 2:5 also in verse 8 "***for by grace are ye saved through faith, and that not of yourselves, it is the gift of God***", Jesus, therefore is the Grace of God and by Him, the virtue of grace is released unto all that accept Him. Understand that "*It takes Grace to operate in the dimension of the Word of Grace*" once you receive grace in person you are qualified to operate in Grace, but the devil may want to defraud you of your right to it, so it takes your ***awareness of, readiness and preparedness and openness to operate in the dimension of the Word of Grace.***

An understanding of the origin of the word in the Greek language will give you a better understanding of the importance of Grace - the Greek word is '*Charis*' it means good will, loving kindness, favour - of the merciful kindness by which God, exerting His holy influence upon souls, turns them to Christ, Strengthens, increases them in Christian faith, knowledge, affects and kindles them to the exercise of the Christian virtues.

Matthew Henry Concise Commentary says this about Grace "All fullness dwells in Him, from which alone fallen

## FIFTH DIMENSION OF THE WORD OF TRANSFORMATION

sinner have and shall receive, by faith, all that renders them wise, strong, holy, useful and happy. Our receiving by Christ are all summed up in one word, Grace"

### **How do I access this Dimension?**

The simple means through which you break into this dimension is to accept Jesus as your Lord and personal Saviour. Then you begin to appropriate the Grace virtue in your life by not being ignorant of its existence in your life, its efficacy and effects in the lives of people, because it brings salvation and deliverance to people

In the next chapter, I will be highlighting what operating in the dimension of Grace can do in people's lives wherever it is operated

## CHAPTER 2

### THE WORD OF GRACE AT WORK!

When the Word of Grace is at work or operated, its effect can be both in the life of the person operating it and the lives of the beneficiaries i.e. the people on whom the word is being released.

Let me now itemize those great things that happen when the dimension of the Word of Grace is operated:

i. **Grace makes you blessed** - Psalm 45:2 - "*Thou art fairer than the children of men; Grace is poured into thy lips, therefore God hath blessed thee forever*".

When the Grace of God is released into a person's life, it means '*favour, charm, elegance and acceptance*' are released into the person's life. All these words are the translation of the

## FIFTH DIMENSION OF THE WORD OF TRANSFORMATION

Hebrew word for Grace, which is '*kbane*', "Grace is poured into thy lips, therefore God hath blessed thee forever", this means '*when you encounter the acceptance of God, the never-ending blessings of God come upon your life*', it also means that '*when you are favored by God, His blessings follow you everywhere and every time*'.

For instance, Joseph was favored and he operated under the Grace of God, even in a strange land, Gen 39:4 says "*And Joseph found Grace in his (Potiphar) sight...and he made him overseer over his house and all he had he put into his hand*" so by the reason of the Grace of God upon his life, he became blessed even in the place he was meant to be a slave, in other words, Grace is not under the limitation of your location - I release the Grace of God that will make you a blessed person upon you now! In the precious name of Jesus Christ

ii. **Grace builds up** - Acts 20:32 - "*And now, brethren, I commend you to God and to the Word of His grace, which is able to build you up and to give you an inheritance among all them which are sanctified*".

When you operate the dimension of the Word of Grace, the people you are ministering to have access to these two wonderful things:

(a) **Building up** - that is, they will be built up by the grace of God that will be released unto them. In the book of Colossians chapter 2 verses 6 & 7, we have this injunction that "*As you have therefore received Christ Jesus the Lord (the Grace of God), so walk ye in Him (i.e. operate in Grace). Rooted and built up in Him, and established in the faith...*" this can be done by opening

up to the word of grace, because we have seen that it is the word of grace that builds up

(b) **Giving of inheritance** - when you operate or you are exposed to the Word of Grace, you also have access to receiving an inheritance (the Greek is 'klēronomia' - i.e. what is given to one as a possession) among those that are sanctified. It means that the word of Grace makes you sanctified and qualifies you for the share which an individual will have in the eternal blessedness, which is to be expected after the visible return of Christ. There is an inheritance that is available for people in Christ Jesus, both here and hereafter, and it's your exposure to or operation of the word of Grace that qualifies you for that, so you must endeavour to speak the word of Grace as a minister of God and as a believer (Eph.4:29)

iii. **Exposes false Doctrines** - Hebrews 13: 9 - "*Be not carried about with diverse and strange doctrines, for it's a good thing that the heart be established with grace, not meats, which have not profited them that have been occupied therein.*" When you operate in the dimension of the word of Grace, you expose strange doctrines and also make people see reasons not to be followers of such doctrines, but be established in Christ. It's a good thing to be established and it is grace that makes you established, not to be swiped off by strange and negative doctrines from the pit of hell. But it's rather unfortunate that a lot of pastors and ministers in the house of God are the ones introducing strange doctrines to people, though that does not mean there is no word of Grace available again, it is and you are reading this book in order to move to that dimension, operate it and be

FIFTH DIMENSION OF THE WORD OF  
TRANSFORMATION

exposed to it

iv. You become a Wonder - Luke 4: 22 - "***And all bare Him witness and wondered at the gracious words, which proceeded out of His mouth...***" When you operate in the dimension of the Word of Grace, you become a wonder to your hearers. The Bible says "***Behold, I and the children whom the LORD hath given me are for Signs and Wonders...***" Isaiah 8: 18, it is operating in the dimension of the word of the Grace that turns you to a sign and wonder as Jesus was before the people in the Synagogue.

When you speak gracious words, people will want to hear more from you, because it will come to them with saving power - remember, by Grace Are ye saved - and it will save them from destruction.

## CHAPTER 3

# IDENTIFYING THE WORD OF GRACE

I know that many of you reading this book will be wondering that 'how will I recognize or identify the Word of Grace?'

Let me briefly tell you the characteristics of the word of Grace, so that whenever or wherever you hear it or want to operate it, you will know that it's the word of Grace that's been operated:

(i) **It is not corrupt** - The word of Grace is not a corrupt word, it's not doctrinal or denominational, not sugarcoated, it's not to rob you of your money, but to transform your life - Eph. 4: 29

## FIFTH DIMENSION OF THE WORD OF TRANSFORMATION

(ii) **It is peaceable** - As the wisdom of God is peaceable, so is the word of Grace, it does not provoke quarrel, it proffers solution to dicey situation

(iii) **It ministers Grace** - The word of Grace provokes the favour and acceptance of God to people. It does not condemn people but makes them to see Jesus as the only Saviour they need for them to encounter transformation in their lives. The word of Grace brings people into the kingdom of God by letting them know that we saved by Grace - Eph. 4: 29; 2: 5, 8

(iv) **It Edifies** - To edify means to *build up*. Whenever the Word of God is operated, it promotes growth in Christian wisdom, piety, happiness and holiness; it builds people up in the Christian faith.

But when you hear or listen to sermons that are used to castigate and cast down people and churches, it's not the word of Grace, because the word of Grace is good to the use of edifying - Eph. 4: 29

(v) **It Comforts** - The word of Grace brings comfort in trouble, Apostle Paul said "*Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort. Who comforteth us in all our tribulations that we may be able to comfort them which are in any trouble...*" 2 Corinth. 1: 3 - 4. Whatever the situation, when the word of Grace is operated, it provokes comfort, even when the speaker is having challenges, but God gives the person comfort and releases the word of Grove to the person so that the speaker can release the word of Grace to comfort the hearers.

ALO OLATOKUNBOH AKIN

Therefore, wherever you are and listening to a sermon, watch out for these characteristics of the word of Grace and once you realize that at least one of them is in operation then know that the word of Grace is available and any of the things highlighted that the word of Grace can do will happen, either during or after the sermon.

I pray that the Word of Grace for salvation, deliverance, building up and giving of inheritance will locate your life via this book! In the name of Jesus

I declare that the Grace that your life needs is released unto you now! In the name of Jesus Christ

## **CHAPTER 4**

### **PRAYER OF SALVATION**

This book will not have a positive effect on your life unless and except you are saved by Grace; I therefore want you to pray this prayer to become a partaker of my Grace that I'm enjoying in Christ Jesus.

And you need to understand that Salvation is your only access to the world of supernatural life by Grace, it is what qualifies you to enjoy all that Jesus purchased through the redemption of mankind from the power of sin.

Say this loud and clear:

Lord Jesus, I know I have sinned, but today, I decide to forsake sin and follow you, accept me by Grace, cleanse me with your blood and keep me by your Grace. Send your Holy Spirit to lead, guide and protect me, make me

ALO OLATOKUNBOH AKIN

your own forever, I declare that you are my Lord and Saviour, in Jesus Mighty name.

As you've said that prayer, have faith in God and believe that the devil has no place in your life any more, I pray that the Grace of God will be released abundantly into your life.

You will not disgrace the Grace of God upon your life in Jesus name

God bless you!
