PREFACE

On the 24th of May in the year 2017, very early in the morning on that faithful day, the Spirit of God began to commune with me about a great thing that God is presently doing in the realms of the spirit concerning His kingdom on earth

He said: There is a rising of a new order, a new generation of a people, set aside by God to bring into the world the Mandate and agenda of Heaven, they are granted access to the Throne room of God, they spend their time in the Pavilion of God to access immortal materials, this makes them carriers of the Divine doxa

Their order is in the order of the Army sent by God in the book of Joel 2: 2 – 9, they have divine speed, their action is always seen and felt wherever it is carried out, they cannot be wounded, they follow divine order to go only in the direction they are led to, this Army is not limited to a region, denomination or location, they go from strength to strength, from glory to glory and from power to power

This Army is being raised by God Himself, they are rising in different nations and denominations, this is the present revelation position of God for the end time, this book is being written therefore to let the world know what is happening in the immortal realms and for anyone or everyone that will get to read it to also enroll in this Army and get trained, empowered, imparted and activated to carry out the Mandate of Heaven in this end time, even as the coming of Jesus Christ gets nearer than ever before.

I therefore introduce to you and with the hope of having you also joining: THE KINGDOM ARMY

CHAPTER ONE

THE RISING OF THE ARMY

An Army is a large number of people united for some specific purpose, the Army could also be said to be: the agency that organizes and trains soldiers for land warfare – this is the dictionary definition of an Army, but spiritually, an Army can be defined as a group of people that are raised, organized, trained, empowered and activated by the Spirit of God to carry out spiritual assignments for God and His kingdom

With these definitions therefore, I will like you to know that the Army is not a social or civilian group but rather a group that is concerned with spiritual and physical warfare, they don't mingle with others to do what they are doing, they don't live ordinary lives like the civilians, in fact, in the secular Army, they live in the barracks where civilians are not allowed to enter anyhow, there they have different trainings that they undergo, therefore, the spiritual Army

KINGDOM ARMY

or soldier is also encouraged to live a separate and consecrated life, to be different from the people of the world, they don't live in socializing the worldly way, they make use of every opportunity to carry out the Divine agenda, they maintain constant and continuous fellowship and communion with Heaven

Let me now show to you the main things the Holy Spirit revealed to me about this Army in the revelation I had about this rising Army:

The Holy Spirit said to me that: There is a rising of a new breed, a new generation of a people, set aside by God to bring into the world the Mandate and Agenda of Heaven, their order is in the order of the Army of Joel chapter 2, they are spiritually riding on horses with the strength, capacity and boldness of a lion, the speed of their horses is in the order of light, they run with Divine speed, they are non-denominational, without doctrinal discrimination, wherever they appear, supernatural manifestation are made glare, they have access to thrones with which they operate authoritatively, they spend their times in the Pavilion of God to access immortal materials, thus they are carriers of the Divine doxa (glory), which pervades the atmosphere of wherever they go to, fire, glory, wind and other supernatural elements are always around them, they have given up the terrestrial and signed up for the celestial, they are spiritual yet dwell in the physical, immortal in nature but still in the mortal body and they operate the supernatural naturally

This Army is rising from among us, it is not a new denomination, wherever you worship, you can enroll in

KINGDOM ARMY

this team, because the Kingdom of God is beyond the teachings of any church doctrine, it is being ruled and controlled by the Immortal, Invisible Ancient of days, learning at His feet on a daily basis, like these people did in their lifetime: Jeanne Maria Bouviere de la Mothe (Madam Guyon – 1648 – 1717), Frances Ridley Havergal (1836 1879), Girolamo Savonarola (1452 – 1498), Oswald Chambers (1874 - 1917) etc. These soldiers gave their all to their Master and Saviour and defied all odds to carry out His mandate in their own time.

I (the Author of this book) have also signed up for this Army, never to look back, not to be hindered, barred or debarred by any religiosity or doctrinal chain that may pull me back from doing the Divine will, you can also do the same, to represent Jesus Christ and His Kingdom in whatever church you worship or wherever you may go in your life

Please note that the Kingdom of God is bigger, greater and more powerful than your church – I am not calling you out of your church but out of denominational and doctrinal mentality into the kingdom mentality, which is the only thing that can qualify you for heaven. The name of your church or the doctrines you follow in the church cannot qualify you for heaven but kingdom lifestyle, responsibility and total submission to Jesus Christ

To join this Kingdom Army, wherever or whoever you are, pray this prayer intentionally:

Lord Jesus, I (mention your name) sign up for the Kingdom Army, I submit, surrender and subject my life unto you, I will not allow the devil to use anything or

KINGDOM ARMY

anyone to hinder me, give me the grace, power and enablement to carry out your kingdom assignments, so help me God

After saying this prayer, all you have to do is to renew your commitment on a daily basis by submitting, surrendering and subjecting you spirit, soul and body to the Holy Spirit for daily instructions, guidance, unleashing, and summoning so as to maintain your relationship and fellowship with the Almighty God.

God bless you!

CHAPTER TWO

THE UNLEASHING

On the 25th of May, 2017, the Holy Spirit began to speak to me again around 2: 15am about the unleashing that takes place in the realms of the spirit.

The Holy Spirit said that: On a daily basis, there is an unleashing taking place in the realms of the spirit, as the glory of God, the fire, the power and grace of God is being unleashed into the world at different places, this is in order to empower and authorize the people that God has raised, is raising and have signed up as agents of the Kingdom Army, for them to keep the work going and for the Kingdom to keep expanding.

Many a time, some people do not realize this move of the Spirit as waves of glory and fire come from the immortal realms into the earth, some people even resist and fight against the move, because the move is manifesting in a way that they do not understand or through an 'irrelevant' or

KINGDOM ARMY

unlikely vessel, they therefore look for a way to quench it, but because anything that is birthed, orchestrated or originated in the spirit realms cannot be hindered in the physical realm, they find it difficult to do

For instance, the unleashing on the day of Pentecost (Acts 2: 1 – 4) when the Holy Ghost was officially unleashed into the mortal realms for the manifestation of the fullness of His capacity, because before the day of Pentecost, the Holy Ghost was just appearing intermittently, but on that day, He came in His fullness and there was a mighty rushing wind from heaven, the wave was unstoppable by any power or force from the earth and even the underworld, so also is the unleashing taking place in the now, wherever you are, the move of the Spirit in the now is taking another dimension, on a daily basis, there is a release that is coming from the Pavilion of the Almighty God, meant for the Kingdom Army.

Understand that, the ferociousness and anger of the devil is increasing because he knows his time is short, therefore God's Army must not be weary or tired, that is why the unleashing of power, glory, grace and authority is constantly going on in the realms of the spirit, soldiers of Christ therefore, you must always be at your duty post for this unleashing, so that the enemy will not make you a meat for his kingdom

We are in a kingdom battle: darkness against Light, despite that the Light has overcome and forever victorious, the darkness is still rearing its head in various ways and forms, in fact, using various men and methods, including sometimes, those that are in the church as its agents, but

KINGDOM ARMY

because the Ultimate Light has won the battle (John 1: 5), God constantly and continuously unleashes the spiritual resources that the kingdom Army needs to keep the flag flying and maintain the victory

Apostle Paul said in 2nd Timothy 2: 1 that “...*My son, be strong in the grace*”, strength for the battle, grace to maintain the victory of Jesus and all that is required to be preserved till the end is what God is unleashing to His Army. Therefore make it a point of duty to always report at the duty post on a daily basis for the unleashing, you must receive it daily to maintain the kingdom victory on a daily basis.

CHAPTER THREE

THE SUMMONING

Understand that, to every soldier in the Army of the kingdom of God, there is usually a summoning at one time or the other. The king of the Heaven's Army summons His people to His throne at one point or the other in their journeys

The summoning is an invitation given by God to any of His soldiers to come into His Pavilion to have a deep fellowship with the soldier. There are various reasons for summoning to take place, because God knows what is ahead and going to take place in the world and the lives of His children that are enrolled in the Kingdom Army

There is an instance of summoning in the book of Revelations chapter 4 vs 1 when John the beloved was on the isle of Patmos, he said “*...and the first voice which I heard was as it were of a trumpet talking with me; which said, come up hither and I will show thee things which must be hereafter*” and

KINGDOM ARMY

from this point on, God began to reveal deep and secret things unto him, which he began to write, so God summons His children for the following reasons:

- i. **For Instructions** – there are always new instructions from the Almighty to His children/soldiers, this is to tell them new things to do and new ways to do what He wants them to do it. Instructions are the gateways to manifestation, so every time God gives an instruction, He expects that it will lead the soldier to a new level after the instruction is followed or carried out
- ii. **For Discipline** – this is when God wants to discipline the soldier who has done one thing or the other mistakenly or wrongly, this mistake may not be obvious to the soldier, so when God summons you, He may tell or show you what you have done wrongly, which you may not know. For instance, when Elijah was claiming to be the only prophet serving God in Israel, God summoned him and told him that He still had seven thousand prophets who had neither bowed their knees unto Baal nor kissed him, that was the end of the ministry of Elijah (1st Kings 19: 9 – 18) I pray that, may God not discipline you beyond your capacity and measure in Jesus name
- iii. **For the Unveiling of new things** – God always has new things and words available for His Army, He can summon you to unveil what He wants to do, new word for you to

KINGDOM ARMY

use in ministering and new methods to apply in your ministry for more effectiveness and impact, this unveiling is a vital aspect of summoning because it is to reveal God's plans and purpose to you, it may also be to show you what happened in the past in order to solve some issues or proffer solution to a particular situation. It may also be to show things to happen and tell you how to avoid them

- iv. **To send you on an Errand** – God can also summon you when He wants to send you on an errand to someone or a place. It may be to someone that is on the brink of destruction or to someone that is about to give up on life, in order for such person to activate his hope in God and wait till the time of his visitation. It may be to a place for you to announce God's plan to them, for instance, a land may be in a crisis or lack of a particular thing which is now affecting their economy, God may summon you to go and bring about a change in the place
A church may need revival and God will summon you to go and cause the rain of revival to fall on the church
- v. **To teach you something new** – You can be summoned to the Throne room to be taught new things from the scripture. A lot of people wrongly divide the word of truth, doing this to their own gain, but God can summon you to give you the teaching on scriptural

KINGDOM ARMY

principles both from the Old and New Testaments, so that you will be able to rightly divide the word of truth (2nd Timothy 2: 15). God may decide to teach you about things in heaven so that you will not lose your focus on the ultimate goal of the kingdom, it may not be for you to teach people, but for you to be encouraged about the race you are running. God can summon you to teach you how to handle situations, relate with people, and minister to certain set of people. He will always teach you things through summoning

vi.

To Enlarge your capacity for His Kingdom assignments – secular

organizations understand the importance of capacity, that is why they send their staff on trainings for capacity development, God cannot therefore joke or play with the capacity of the soldiers in His kingdom Army, He can therefore summon you at any time to enlarge or expand your capacity to be able to carry out the assignments He has for you

When it was time for the ministry of Isaiah to take up a higher level, God had to summon him, He then empowered him through the ministrations of a Seraph who brought a live coal to touch his lips for Divine cleansing and empowerment, such that when God called out for someone to send to the children of Israel, the capacity if Isaiah had been enlarged to be able to go and he said “...*here am I, send me*”
Isaiah 6: 1 – 8

KINGDOM ARMY

- vii. **To elevate you in the spirit realm as His Representative** – The spirit realm is wide and full of different spirits, but there are physical agents of these spirits that can gain access to them in order to discuss or collect something from the spirits to be used in the physical realm. God therefore can also summon His representatives to give them rankings and high ratings in the spirit realm so that they can also become controlling agent. And as we should also understand that *'the spirit realm controls the physical realm'* if you are therefore operating at a low cadre in the spirit realm, you will not be able to effectively represent the King of the kingdom whose Army you are representing. So, the summoning of God may be to give you an elevation in the realms of the spirit so that when you speak in the physical realm there will be a response that is quick in the spirit realm, because you are highly ranked and recognized. You can therefore not joke with the summoning of God, which could be at any time or any place.
- viii. **To make you a Carrier of His Divine Presence here and now** – The presence of God is not only meant for you to access when you seek God or when you are summoned, it is meant to be with you always and everywhere. For instance, when God summoned Moses to Mount Sinai in Exodus

KINGDOM ARMY

24, he went up into the mount and a cloud covered the mount, Moses was in that glorious presence of God for forty days and forty nights and again in chapter 34 of Exodus, he was with God when he was summoned for another forty days and nights, by the time he descended from the summoning mountain, the Bible says “...*the skin of his face shone; and they were afraid to come nigh (near) him*” vs 30, the glory of God’s presence had rubbed off on him and he became a carrier of Divine Presence, he operated in the dimension of God, he wrought wonders as an accredited agent of His kingdom

God can summon you to release His Divine Presence into your life, so that your presence will provoke His presence and His supernatural elements will pervade any atmosphere you get to with signs and wonders following

- ix. **To make you an Authority in the world – both in His kingdom and the kingdom of darkness** – Jesus was always in the Throne room going for the summoning of God to keep the work of redemption that He came for going without hindrance, He was therefore a man of authority in the world, His authority was not only on His followers, but also over nature (e.g. wind), material things (e.g. food) and demons (unclean spirits)

KINGDOM ARMY

For instance, in the book of Mark chapter five, when Jesus got to the city of Gadara, He met a man with an unclean spirit and because He was a man of authority, He chased these evil spirits out of the man

The Greek word for authority is 'Exousia' in some places in the Bible, 'power' which is 'Dunamis' in Greek is used for authority, but when you check the context and the original writing, you will see that it is authority – which is 'the Legal right to use the power that you have', so, when God summons you, He does not only give you power but He also gives you the legal right to use it – and this is applicable over nature, material things, negative situations and demons just like in the order of Jesus Christ

Now, having seen why and what God summons His kingdom Army for, you should know that as a soldier in the Army, you can be summoned for any of these reasons here highlighted, but for you to approach God when summoned, you must have the Word of God engrafted into your spirit, not the word crafted by human wisdom, but the Word of the Lord that is incorruptible – Hosea 14: 2, 1st Peter 1: 23.

CHAPTER FOUR

THE SEEKING

As members of the Kingdom Army that have signed up for the kingdom and given up all to get the all of God, who has enrolled you into His Army, you are known and referred to as ‘the generation that seek thee (God)’. In Psalms 24: 6, it says “*we are the generation that seek thee...*” these are the soldiers who are in the kingdom Army, these are the people that have clean hands, a pure heart, they do not lift up their souls unto vanity neither do they swear deceitfully, they are obedient unto God (Psalms 24: 3)

Understand that it is not all the time that God summons His children to His Pavilion; there are certain times that He expects us to make the call to Him.

KINGDOM ARMY

Seeking therefore is the deliberate and intentional act of man to get the attention of God or to approach the presence of God for a particular reason or need

I want you to know that God wants us to seek Him; He knows that there will always be a time for you to do the seeking, because He too did it before. When God created man initially, it was God that used to seek him as He would come into the Garden of Eden to have a time of discussion with him, but after the fall of man, it became the responsibility of man to seek God, but unfortunately, a lot of religions came into existence as a result of this, that is why some people seek God in the nature, worship the thunder, sun, moon etc., some use materials like stone, wood, iron to seek and worship God, not knowing that they are seeking *gods* not the Almighty God, but in this seeking I will let you know the proper way to seek God

Why should we seek God?

God expects His children to seek Him - because he intentionally hides His purposes, plans and intentions in the inner courts expecting His children in the Kingdom Army to seek Him before He grants them access to have them (i.e. His plans and purposes)

In Proverbs 25: 2, the Bible says “*It is the glory of God to conceal a thing; but the honour of kings to search out a matter*” for you to operate with the authority of a king, you must learn to search

KINGDOM ARMY

out matters, you must seek God who has taken it upon Himself to hide things, He did not hide it for you not to see it, but He hid it for you to seek it

We seek God when there are situations and circumstances beyond our capacity – a lot of people only seek God or servants of God when they need wife, husband, children or any material things, but as soldiers in the Kingdom Army, there are destinies that are attached to your life and they will not manifest if you don't seek God for them, there is need for Divine empowerment, guidance, instructions, strategies and much more to carry out your divine assignment, you therefore need to seek God in order to receive these from Him

Where is God for you to seek Him?

I believe this is the issue that many people are having that is making them to use different means to seek God, some believe He can be found in the moon, stars, sun, waters, rocks, trees etc., but they do not know that God is in us and can be found when we seek Him in spirit and in truth

God is in us – Jesus said “...*the kingdom of God is within you*” the King of the kingdom is always on His Throne, if you are therefore a member of the Kingdom Army, God is in you! All you have to do is to seek Him in the spirit as He is a Spirit (John 4: 24)

KINGDOM ARMY

Characters of God seekers

In addition to all the characters of the Kingdom Army, verse 3 of Psalm 24 also highlights few of the characters as I have written earlier, I also want you to note the following characters that you must possess in order for your seeking to be easy, smooth and error-free:

- i. You must be in a personal relationship with Jesus – this qualifies you for enrollment into the Kingdom Army too
- ii. You must be pure in heart
- iii. You must be willing to seek God, He will not compel you to seek Him
- iv. You must be in a constant fellowship (koinonia) with the Holy Spirit
- v. You must submit and surrender to the Holy Spirit – this is what you must do on a daily basis as a member of the Kingdom Army
- vi. You must be ready for a journey into the realms of the Spirit or Immortal realms – this is not going in trance, but rather submitting to the Holy Spirit and to learn from Him in the spirit realm. You can do this even on your bed, in your sitting room or any other place for that matter, but you must be sure there will not be disturbance or hindrance

What you enjoy as God seekers

When you are able to seek God and you see His face (this simply means: knowing His intentions and plans, knowing how God feels about and towards you), you can enjoy the following and much more:

- i. Divine access (1st Corinthians 2: 12)
- ii. Divine life (John 10: 10)
- iii. Divine nature (2nd Peter 1: 4)
- iv. Divine help (Hebrews 13: 6)
- v. Divine protection (Psalms 91)
- vi. Divine provision (Matthew 17: 25)
- vii. Divine companionship (Hebrews 13: 5)

It is therefore important to seek God because the Bible says in Isaiah 55: 6 that “*Seek ye the LORD while He may be found...*” it means as Kingdom Army, you must seek the Lord in order to have access to what He has for you

I pray that the spirit to seek God comes upon you now! In the precious name of Jesus Christ

I declare that the seekers anointing is poured upon you now! In the precious name of Jesus Christ

I declare that God shall grant you access to His presence as you seek Him! In the precious name of Jesus Christ

CHAPTER FIVE

THE DEALING

Dealing by dictionary definition is: A method or manner of conduct in relation to others. In this book I am writing about dealing from the Divine perspective i.e. the manner in which God relates with the soldiers in the Army of His kingdom

An understanding of this dealing will help each individual in the Kingdom Army to know: how to relate with God, how to relate with other soldiers in the kingdom, how not to compare yourself with others and how to also deal with those that are in the church but not in the Kingdom Army. Each level that I have mentioned here has a way God deals with it, for those that are in the kingdom, God has a way He deals with them individually, for those that are in the church not in the

KINGDOM ARMY

kingdom, there is a way He deals with them, even for those that are neither in the kingdom nor the church, God's way of dealing with them is different

The dealing of God with individual is different because the '*Calling*' of each person is different. Although, you may be called into the same office or ministry as someone else, but you are to interact or relate with God the way He deals with you not minding the disposition of the other person towards God, you are likely to have different gifting, training, authority and operate at different levels, despite that you are in the same office, so the dealing of God with you will be different

The dealing of God with you determines the way and manner you approach situations and circumstances, either in your life or the people that come to you for counseling, in fact your ministration will be determined by the dealing of God with you

If for instance, God deals with you using symbols and codes with interpretation when you are studying the scriptures, you will be different from someone He explains to using plain words or language

Someone else cannot be like you because the way God deals with the person is different from your own. Forcing or expecting someone to be like you is what we call cloning, this will not allow the other person to

KINGDOM ARMY

operate in the way and manner God has designed him.

People that have disciples should be aware of this too and even the disciples that want to be speaking, dressing and living their lives exactly like the people they are following, because doing this may make them lose their identity, so, you must recognize that there is a way God deals with you.

You are in the same Kingdom Army, but you have different attitudes, there may be some common points of agreement as touching things of the Kingdom, but the way God will approach you, interact with you, summon you, and grant you access, unleash revelations to you or relate with you will be different

Therefore, from today learn to know how God deals with you and stop comparing yourself with others; Apostle Paul said *“For we dare not make ourselves of the number or compare ourselves with some that commend themselves; but they measuring themselves among themselves and comparing themselves among themselves are not wise”* 2nd Corinthians 10: 12, your perspective to life will be determined by the dealing of God with you and this may not be in alignment with another person’s perspective, so seek God today and know how He deals with you personally in order for you to know how to also deal with God and other people.

CONCLUSION

In this book, by the grace and help of God, I've been able to invite you to enroll in the Kingdom Army and you have been able to see what it takes to be a soldier in or member of the Kingdom Army, what you will get from God and also what you are to do as a member of the Kingdom Army, I therefore want to charge you that as you have joined this team, go all out to bring others to join us to expand and enlarge the Army of the Kingdom of God.

All religions are invited, all churches that operate on doctrines not found in the Bible can also enroll and when the members of such religion and doctrinal churches join this Kingdom Army, they are trained, empowered and imparted with the Kingdom mentality...God bless you as you become a member of **THE KINGDOM ARMY**
